

# CALLING ALL WINNERS ON THE LINE FOR MIRACLE JOBS

- As often said here, if you will let Jesus engage you, no employer will ever reject you.
- Prophetically, this year has been declared our year of enviable change of story after the order of Isaac, both as a church and as individuals — *Gen. 26:12-14*
- But when the year of Isaac came, he sowed in that land against all odds, and he ended up becoming the envy of the Philistines — *Gen. 26:12-13*
- Therefore, let everyone on the line for miracle jobs, receive and believe this prophetic word that has gone forth “let me (Jesus) engage you and no employer will ever reject you” — *Psa. 34:10*
- In addition, let everyone on the line for career breakthrough, such as a graduate of engineering teaching in primary school or working as a storekeeper, engage with Jesus in this prophetic season for his/her desired change of story — *Mat. 6:33*
- For those whose businesses may be on the verge of a collapse, Jesus is also saying, “let me have your boat, by giving Me the best of your time and you will experience a change of story that will baffle the mind of your mockers” — *Luk. 5:1-8*

*The following testimonies validate the blessedness of being on Jesus' employment:*

## **1. Wonder- Double Job**

For some time now I had believed God for a change of status. On Sunday, Bishop Oyedepo gave a prophetic word that ‘anyone on the line for a miracle job who will let Jesus engage him this week, that no employer will be able to reject him’. Then, I engaged fully on the employment of Jesus,

winning souls to His kingdom. Lo and behold, the God showed up in my affairs that same week, I was given a job way beyond my level of exposure at a multi-billion-naira company with a fantastic official car and a salary package that can only make one speak in tongues. Truly, Mathew 6:33 works like fire To God be the glory! — *Oyegunle Delano.*

## **2. Season of Rewards Indeed - Miracle Job**

I believed God for a miracle job for over 5 years now, I have never participated in any of outreach. When the prophetic word went forth, "Let me engage you no employer will reject you." Going out for soul winning became my daily job. A company called me for interview, the following day the manager called me to join the interview panel to interview other people and on the 29th October, I was called to pick up my offer letter. I give God all the glory. — *Samuel, I.*

## **3. God Is Indeed A Rewarder-God**

I have been seeking for gainful employment since 2013. So, I engaged fully with my outreach partner as we allowed God to employ us so that no employer would be able to reject us. By the fourth week, God visited my partner with her miracle job; that made me to be more determined than ever to press on. The next day, I got a call from an establishment for an interview on Friday 30th of October and on Thursday 5th of November, I was given a fantastic job. God has wiped away the reproach of joblessness from my life. — *Chioma R.*

Everyone's commitment to the advancement of the kingdom in this prophetic season shall result in the individual's supernatural advancement — *Psa. 102:13-15/ Psa. 35:27/ Heb. 11:6*

But only those who engage willingly, diligently and cheerfully shall be openly rewarded — *1 Cor. 9:17/ Heb. 11:6*

**Jesus is Lord!**

*David O. Oyedepo*
